

Ascot Kindergarten

Information Sheet: Donations

Ascot Kindergarten greatly appreciates donations of art and craft materials for use in box construction and other children's activities.

Items needed include:

- cardboard boxes,
- clean milk cartons,
- drawing paper,
- bottle tops,
- buttons,
- fabric pieces etc.

Each year the service has a number of children with life threatening allergies so it is important that NO egg cartons are donated. Further restrictions may be applied depending on the allergens of future students..

For hygiene reasons toilet paper rolls and feminine hygiene packaging cannot be used.

We appreciate donations of other new or used items from kinder families. Please check with an educator or committee member if unsure.

Other items that we can accept include:

- plants, seedlings such as vegetables,
- clean plant pots,
- pots and pans,
- small pieces of wood for wood work,
- plastic piping for sand and mud play,
- plastic jugs, measuring cups and spoons for water play,
- children's books.

The link below has guided our policy. If you are unsure of what or how to donate, please ask the educators or committee members.
