

Mandatory – Quality Area 6

PURPOSE

This policy outlines:

- the criteria for enrolment at Ascot Kindergarten
- the process to be followed when enrolling a child at Ascot Kindergarten
- the basis on which places within the programs will be allocated
- procedures for the orientation of new families and children into Ascot Kindergarten
- processes to ensure compliance with legislative and DET funding requirements in relation to the enrolment of children in early childhood education and care services.

POLICY STATEMENT

1. VALUES

Ascot Kindergarten is committed to:

- equal access for all eligible children
- meeting the needs of the local community
- supporting families to meet the requirements for enrolment through the provision of information
- maintaining confidentiality in relation to all information provided for enrolment
- ensuring all families are welcomed and receive an effective orientation into the service.

2. SCOPE

This policy applies to the Approved Provider, Persons with Management and Control, Nominated Supervisor, early childhood teachers, Persons in Day to Day Charge, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at Ascot Kindergarten.

3. BACKGROUND AND LEGISLATION

Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, Approved Provider's must adhere to their eligibility and priority of access criteria (refer to *Definitions* and *Attachment 1*) policy in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in *The Kindergarten Guide* (refer to *Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Ascot Kindergarten participates in the Moonee Valley City Council (MVCC) administered Central Registration Service (CRS) for enrolments. Information regarding applications, allocation of places and priority of access criteria can be located at

<https://www.mvcc.vic.gov.au/For-Residents/Family-and-children/Kindergarten.aspx>

Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with acceptable immunisation documentation (refer to *Definitions*).

4. DEFINITIONS

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Nominated Supervisor, Regulatory Authority etc. refer to the *General Definitions* section of this manual.

Acceptable immunisation documentation: documentation as defined by the *Immunisation Enrolment Toolkit for early childhood education and care services* as acceptable evidence that a child is fully vaccinated for their age, or is on a recognised catch-up schedule if their child has fallen behind their vaccinations; or has a medical reason not to be vaccinated; or has been assessed as being eligible for a 16 week grace period.

Approved child care: Approved child care services are services that have Australian Government approved to receive Child Care Subsidy (refer to *Definitions*) on behalf of eligible parents. Approved child care includes centre based day care, including long day care and occasional care, family day care, outside school hours care and in home care. (Note: Ascot Kindergarten is not an approved child care service)

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

The National Law and National Regulations do not specify a minimum age limit for an authorised nominee. Each service will need to consider a risk assessment on an individual basis to determine if a person under the age of 18 is able to be an authorised nominee and, if so, what constitutes the minimum acceptable age at that service.

Child Care Subsidy (CCS): A Commonwealth Government means tested subsidy to assist eligible families with the cost of child care. Payments are paid directly to approved child care providers. Further information can be found at: <https://www.education.gov.au/child-care-subsidy-0> (Note: This does not apply to Ascot Kindergarten)

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, cultural or economic circumstances (refer to *Inclusion and Equity Policy*).

Deferral: When a child does not attend in the year when they are eligible for a funded kindergarten place, or is officially withdrawn from a service prior to the April data collection. DET considers that this child has not accessed a year of funded kindergarten and is therefore eligible for DET funding in the following year.

Eligible child: A child attending an early childhood education and care service as described in the *Immunisation enrolment toolkit for early childhood education and care services* or a child in a kindergarten program who meets the requirements of both *The Kindergarten Guide* and the *Immunisation enrolment toolkit for early childhood education and care services*.

Enrolment form: A form that collects contact details, and personal and medical information from parents/guardians about their child. The information on this form is placed on the child's enrolment record (see below) and is kept confidential by the service.

Enrolment record: The collection of documents which contains information on each child as required under the National Regulations (Regulations 160, 161, 162) including the enrolment form; details of any court orders; and immunisation documentation as specified in the *Immunisation Enrolment Toolkit for early childhood education and care services*. Enrolment records are stored securely in the service due to their confidential nature.

Fee: A charge for a place within a program at the service.

Moonee Valley City Council (MVCC) Central Registration Service (CRS): Ascot Kindergarten are signatories to the MVCC CRS, which administers applications for a kindergarten place at defined centres within the Council.

MVCC CRS Registration form: The MVCC CRS requires completion of a registration form to apply for a kindergarten place in a program at this service.

MVCC CRS Application Fee: The MVCC CRS requires a non-refundable payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service. Exemption from this application fee is provided if the child or parent/guardian have an eligible concession card/meets eligibility for a subsidy rebate.

Priority of access: in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in *The Kindergarten Guide* (refer to *Sources*), or if in receipt of the CCS, comply with the Commonwealth Government's policy for allocating places.

Eligibility and priority of access criteria

1. Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at: www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx
- children who were eligible to attend in the previous year, but:
 - deferred
 - withdrew from the service prior to the April data collection
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at: www.education.vic.gov.au/about/programs/learningdev/pages/earllystartkinder.aspx

When demand exceeds availability, the Approved Provider will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection.
- priority of access criteria as outlined in *The Kindergarten Guide* available at: www.education.vic.gov.au/childhood/providers/funding/Pages/kinderfundingcriteria.aspx

Other considerations may include date of application, siblings already enrolled at the service, attendance in the three-year-old program and local community zoning.

Ascot Kindergarten participates in the Moonee Valley City Council (MVCC) administered Central Registration Service (CRS) for enrolments. Information regarding applications, allocation of places and priority of access criteria can be located at <https://www.mvcc.vic.gov.au/For-Residents/Family-and-children/Kindergarten.aspx>

If participating in a central enrolment scheme, the priority of access for that scheme will be implemented. Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

2. Eligibility and access criteria for the three-year-old kindergarten program

Children are eligible for attendance in the three-year-old kindergarten program provided they have turned three prior to commencement.

Ascot Kindergarten participates in the Moonee Valley City Council (MVCC) administered Central Registration Service (CRS) for enrolments. Information regarding applications, allocation of places and priority of access criteria can be located at <https://www.mvcc.vic.gov.au/For-Residents/Family-and-children/Kindergarten.aspx>

The Approved Provider is responsible for:

- complying with the criteria for priority of access to programs at Ascot Kindergarten, based on funding requirements, the MVCC priority of access criteria and the service's philosophy.

3. Allocation within groups

Positions within the 4 year old kinder programs are allocated by Moonee Valley City Council under the Central Registration Service priority of access criteria.

Where the service provides more than one funded kindergarten program or three-year-old program, places within the programs will be allocated to groups by the service in line with the eligibility and priority of access criteria.

Considerations may include:

- Needs of individual children
- Needs of the group
- Parental wishes
- Other special considerations

Further information is available in the MVCC CRS Kindergarten Handbook.
- A separate application form must be completed for each child, and for each proposed year of attendance at the service.
- To facilitate the inclusion of all children into the program, the enrolment application form should clearly identify any additional or specific needs of the child (refer to *Inclusion and Equity Policy*).
- Parents/guardians of children applying for a second year of funded kindergarten will be notified by the service of the procedures to apply for a place
- Parents/guardians of children currently attending a three-year-old program must also submit an MVCC CRS Registration Application form for the following year.
- A copy of the child's birth certificate and proof of address must be submitted with all applications.
- All CRS Registration forms must be accompanied by an MVCC CRS Application Fee in line with the MVCC CRS Kindergarten Handbook. - Applications for a position at the service are submitted directly to MVCC under the CRS.
- Access to completed Ascot Kinder Enrolment Forms will be restricted to the person responsible for the enrolment process, the Approved Provider, Nominated Supervisor and educators at the service, unless otherwise specified by the Approved Provider.
- Applications will be entered on the waiting list using the Moonee Valley City Council eligibility and priority of access criteria.
- Applications received after the closing dates will be considered as per the Moonee Valley City Council eligibility and priority of access criteria

2. Offer of places

- After reviewing the budget and the needs of families within our community, the Committee of Management will determine the number of places to be allocated to each kinder group and will advise Moonee Valley City Council in accordance with notified timelines.
- Tentative places will be offered in writing to applicants in accordance with the eligibility and priority of access criteria of the service making clear that confirmation of places is not final until immunisation documentation has been received, assessed and found acceptable.
- Ascot Kindergarten requires parents/guardians who have been offered a tentative place to provide acceptable immunisation documentation for assessment two months prior to the child first attending the service in order that a confirmed place can be offered.
- The documentation is assessed as outlined in the *Immunisation enrolment toolkit for early childhood education and care services* by the person responsible for the enrolment process on behalf of the Approved Provider. The Key Dates work form in the *Immunisation enrolment toolkit for early childhood education and care services* is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation

to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from <https://www2.health.vic.gov.au>:

- The *Immunisation enrolment toolkit for early childhood education and care services* (search 'Immunisation enrolment toolkit')
- The Key Dates work form (search 'Key Dates work form')
- Hard copies of the immunisation resources (search 'immunisation resources order form')
- The acceptable outcomes of the assessment for offering a confirmed place are:
 - That the next due vaccine for the child on the ACIR Immunisation History Statement or the Immunisation Status certificate is within the acceptable timeframe for an enrolment, or;
 - That the child is on a recognised catch-up schedule if they have fallen behind with their vaccinations, or;
 - That the child has a medical reason not to be vaccinated, or,
 - That the child has been assessed by Ascot Kindergarten as being eligible for a 16 week grace period
- The person responsible for the enrolment process advises the parent/guardian whether a confirmed place is offered and the enrolment can proceed.
- Parents/guardians who do not have acceptable immunisation documentation cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Appendix 4 – Letter for parents/guardians who do not have acceptable immunisation documentation).
- Offer of places in the three-year-old program/s and the funded kindergarten program will be made in accordance with the timelines outlined by the MVCC Central Registration Service.
- Parents/guardians who do not wish to accept the offer of a tentative or confirmed place, or intend to withdraw their enrolment, are requested to notify Moonee Valley City Council enrolments and the person responsible for managing the enrolment process at the service, in writing, as soon as possible.
- Payment of term 1 fees is required prior to a child commencing at the service at the beginning of the year. If a child is enrolled during the year, then pro-rata fees for that term must be paid and must be paid in full within 14 days of the child's commencement at the service.
- A current Ascot Kinder Enrolment Form and other relevant information will be provided to the parent/guardian, after a confirmed place has been accepted with Moonee Valley City Council.

Note: Places will not be allocated to children until any outstanding fees owed to the service by the family is paid, or a payment plan is agreed to between the family and the service (refer to *Fees Policy*).

Letter for parents/guardians without acceptable immunisation documentation

Ascot Kindergarten

[Address]

[Insert date]

Dear [insert name]

Re: Enrolment at Ascot Kindergarten for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at Ascot Kindergarten in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided acceptable immunisation documentation.

Acceptable immunisation documentation includes evidence that your child:

- is fully vaccinated for their age
- is on a recognised catch-up schedule
- has a medical reason not to be vaccinated
- has been assessed by our service as being eligible for a 16 week grace period.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Childhood Immunisation Register Tel 1800 653 809
- Better Health Channel website: <https://www.betterhealth.vic.gov.au/no-jab-no-play>

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by acceptable immunisation documentation. The new application would be considered in line with Ascot Kindergarten's Enrolment and Orientation policy.

Yours sincerely
